Dear our valued customers:

Effective January 1, 2010, the tariff rate for motor home will change.

Current rate for motor home has been unchanged for a long time, however an increase has become unavoidable. We have been absorbing a rise of labor cost with our management effort, however our current rate level of motor home is lower than similar types of other commodities by more than 20% and it is regrettable that our current rate for motor home can't absorb all rise of labor cost. We hope this increase of tariff rate will not affect your sales of motor home. In the meantime, we will apply the current rate on all motor homes shipping on or before December 31 for the convenience of your business.

<Current rate until Dec.31 ,2009>

Yokohama \$37/m3+20% EBAF
Osaka \$42/m3+20% EBAF
Kanda \$42/m3+20% EBAF

<New rate from Jan.1, 2010>

Yokohama \$40/m3+20% EBAF
Osaka \$45/m3+20% EBAF
Kanda \$45/m3+20% EBAF

If you need further information, please feel free to contact us.

Sincerely yours,

Masayoshi Endo
